

2.Training Calendar (January 2022 to December 2022)

(a) Farmers and farmwomen

Thematic area	Title of Training	No.	Duration	Venue On/Off	Tentative Month	No. of Participants
Soil & water testing	Method of soil sample collection and understanding the soil health card	3	1	Off /On	February 2022	75
Design and development of low cost nutritious diet	Preparation of millet and pulses based low cost nutritious diet for children and pregnant women	2	2	Off/ On	April 2022	50
Women and child care	Role of micro - nutrients in human diet	1	1	Off	May 2022	25
Gender mainstreaming through SHG	SHG management and entrepreneurship development	2	2	Off	June, 2022	50
Feed management	Feeding and Fodder Management of livestock	2	1	Off	June 2022	50
Feed management	Balanced feed preparation for livestock	2	1	Off / On	June 2022	50
Dairy Management	Dairy farming for higher income generation	2	1	Off /On	June 2022	50
Enterprise development	Paddy straw mushroom	2	2	Off	July, August 2022	50

	cultivation for enterprise development					
Poultry Management	Scientific Poultry Rearing	4	1	Off	July 2022	100
Production of quality animal products	Clean Milk Production	4	1	Off	July 2022	100
Integrated nutrient management	INM in vegetable crops	2	1	Off	July 2022	50
Nursery raising	Improved method of nursery raising in vegetables	2	1	Off	August 2022	50
INM	Integrated nutrient management in rice	2	1	Off	August 2022	50
Disease Management	Parasitic infestations and their management in livestock	2	1	Off	August 2022	50
Disease Management	Scientific prevention of FMD in livestock	2	1	Off	August 2022	50
Kitchen garden	Crop selection and management of kitchen garden for year round production.	2	2	Off	Sept., Nov. 2022	50
Mushroom production	Production technology and scientific management of Oyster mushroom	2	2	Off	Oct., Dec. 2022	50
Micronutrient Management	Dose, scheduling and source of different	2	1	Off/On	October 2022	50

	micronutrients in vegetables					
Protected cultivation	Protected cultivation of vegetables	2	1	Off	October 2022	50
Exotic vegetable like Broccoli	High value vegetable crop: Broccoli cultivation	2	1	Off	October 2022	50
Value addition	Post-harvest processing and value addition of fruits and vegetables	1	1	Off	Nov. 2022	50
Organic production	Different Composting Methods	2	1	Off/On	November 2022	50
Nutritional management	Nutritional management in mango & banana	2	1	Off	December 2022	50
Export potential of ornamental plants	Export potential flower: Gerbera cultivation	2	1	Off	December 2022	50
Management of problematic soil	Acid soil management for higher production	2	1	Off / On	December 2022	50
Others, if any (Goat farming)	Scientific sheep and goat rearing	2	1	Off	December 2022	50

(b) Rural youths

Thematic area	Title of Training	No.	Duration	Venue On/Off	Tentative Month	No. of Participants
Value addition	Value addition and processing of oyster mushroom	1	5	On	May 2022	25
Dairying	Dairying for enterprise generation	1	5	On	July 2022	25
Poultry production	Scientific Poultry Rearing	1	5	On	August 2022	25
Income generation	Mushroom production in entrepreneurial basis	2	5	On	August, December 2022	50
Nursery management	Propagation techniques in horticultural crops	1	5	On	September 2022	25
Production & use of Organic inputs	Commercial production of Organic inputs	1	5	On	Oct 2022	25
Seed production	Scientific method of vegetable seed production	1	5	On	November 2022	25
Sheep and goat rearing	Scientific sheep and goat rearing	1	5	On	December 2022	25

(c) Extension functionaries

Thrust area/ Thematic area	Title of Training	No.	Duration	Venue On/Off	Tentative Month	No. of Participants
Productivity enhancement in vegetable crops	New agro-techniques in vegetable production	1	5	On	Feb.2022	25
Management in farm animals	Advances in sheep and goat management	1	5	On	July 2022	25
Management in farm animals	Advances in poultry production	1	5	On	September 2022	25
Household food security	Agro-based livelihood options	1	5	On	October 2022	25
Livestock feed and fodder production	Balanced feeding of Livestock	1	5	On	November 2022	25
Productivity enhancement in field crops	Soil health management for sustainable production	1	5	On	Dec 2022	25
