

Training Calendar (April 2023 to March 2024)

(a) Farmers and farmwomen

Thematic area	Title of Training	No.	Duration	Venue On/Off	Tentative Month	No. of Participants
Design and development of low-cost nutritious diet	Preparation of millet and pulses based low-cost nutritious diet for women and children	2	2	Off /On	April 2023, January 2024	50
Women and child care	Micro - nutrients deficiency diseases and its food-based remedies	1	1	Off	May2023	25
Dairy Management	Scientific Dairy farming	4	1	Off /On	June 2023	100
Kitchen garden	Crop selection and management of kitchen garden for year-round production.	2	2	Off/On	June2023 Nov. 2023	50
Minimization of nutrient loss in processing	Minimization of nutrient loss in processing	1	1	Off	July2023	25
Integrated nutrient management	INM in vegetable crops	2	1	Off	July 2023	50
Poultry Management	Scientific Poultry Rearing	4	1	Off	July 2023	100
Nursery raising	Improved method of nursery raising in vegetables	2	1	Off	August 2023	50
Disease Management	Scientific prevention of FMD in livestock	2	1	Off	August 2023	50

INM	Integrated nutrient management in rice	2	1	Off	August 2023	50
Gender mainstreaming through SHG	Formation and management of SHG for income generation	2	2	Off/On	August 2023 February2024	50
Nutrient use efficiency	Method of increase of Nitrogen use efficiency in rice	2	1	Off	Sept. 2023	50
Protected cultivation	Protected cultivation of vegetables	2	1	Off	October 2023	50
Exotic vegetable like Broccoli	High value vegetable crop: Broccoli cultivation	2	1	Off	October 2023	50
Micronutrient Management	Dose, scheduling and source of different micronutrients in vegetables	2	1	Off/On	October 2023	50
Disease Management	Parasitic infestations and their management in livestock	2	1	Off	October 2023	50
Mushroom production	Production technology and scientific management of mushrooms	2	2	Off/On	October 2023 March2024	50
Value addition	Post-harvest processing and value addition offruits and vegetables	1	1	Off	Nov2023	25
Organic production	Different Composting Methods	2	1	Off/On	November 2023	50

Feed management	Feeding and Fodder Management of livestock	2	1	Off	November 2023	50
Nutritional management	Nutritional management in mango & banana	2	1	Off	December 2023	50
Export potential of ornamental plants	Export potential flower: Gerbera cultivation	2	1	Off	December 2023	50
Installation and maintenance of micro irrigation systems	Installation and maintenance of micro irrigation systems	1	5	On	December 2023	25
Repair and maintenance of farm machinery and implements	Small farm equipments repairing and maintenance	1	1	Off	Dec. 2023	25
Management of problematic soil	Acid soil management for higher production	2	1	Off / On	December 2023	50
Others, if any (Goat farming)	Scientific sheep and goat rearing	2	1	Off	December 2023	50
Production of quality animal products	Clean Milk Production	4	1	Off	January 2024	100
Soil & water testing	Method of soil sample collection and understanding the soil health card	3	1	Off /On	February 2024	75

(b) Rural youths

Thematic area	Title of Training	No.	Duration	Venue On/Off	Tentative Month	No. of Participants
Dairying	Dairy Farming for enterprise generation	1	5	On	July 2023	25
Poultry production	Scientific Poultry Rearing	1	5	On	August 2023	25
Nursery management	Propagation techniques in horticultural crops	1	5	On	September 2023	25
Sheep and goat rearing	Scientific sheep and goat rearing	1	5	On	September 2023	25
ICT application in agriculture	ICT based Agro-advisory services	1	5	On	September 2023	25
Production & use of Organic inputs	Commercial production of Organic inputs	2	5	On	Oct 2023	50
Seed production	Scientific method of vegetable seed production	1	5	On	November 2023	25
Bee-keeping	Production of Bee-colonies and wax sheets	1	5	On	November 2023	25
Value addition	Small scale processing and value addition of agricultural produce	1	5	On	January 2024	25
Integrated Farming system	Integrated Farming system	1	5	On	January 2024	25

(c) Extension functionaries

Thematic area	Title of Training	No.	Duration	Venue On/Off	Tentative Month	No. of Participants
Management in farm animals	Scientific sheep and goat management	1	5	On	July 2023	25
Management in farm animals	Advances in poultry production	1	5	On	September 2023	25
Productivity enhancement in vegetable crops	New agro-techniques in vegetable production	1	5	On	Oct.2023	25
Household food security	Agro-based livelihood options	1	5	On	October 2023	25
Formation and Management of SHGs	Formation and Management of SHGs	1	5	On	November 2023	25
Productivity enhancement in field crops	Soil health management for sustainable production	2	5	On	Dec 2023	50
Protected Cultivation	Protected cultivation of vegetable crops	1	5	On	Feb.2024	25
