

Farmer's Awareness Programme on DAMU

Two farmer's awareness programmes were organized on "*Block level weather forecast based agromet service system of District Agromet Unit*" at Mugagahiri and Tunapur villages of Badamba block of Cuttack district on December 18, 2023, in which more than 100 farmers and farmwomen were participated. Dr Ranjan Kumar Mohanta, Senior Scientist and Head, KVK Cuttack advised the farmers to use the Agromet services to optimize production potential of crops and livestock. Dr Dillip Ranjan Sarangi, SMS (Soil Science) discussed the importance of weather and extreme climatic event on soil-plant-animal health. Mr Debasish Jena, SMS (Agromet) discussed in detail about the need for and importance of District Agromet Unit (DAMU). He also emphasized on the weekly twice advisory service and how the forecast at block level will benefit the farming community for planning agricultural operations and taking care of livestock and poultry.

Glimpses of Farmer's Awareness Programme
