

Viksit Bharat Sankalp Yatra

The Government of India, with participation of States and Union Territories, is actively engaged in the mission of saturation through its flagship schemes for providing basic amenities like sanitation facilities, essential financial services, access to LPG connections, housing for the poor, food security, proper nutrition, reliable healthcare, clean drinking water, quality education etc. and making required services accessible to all targeted and eligible beneficiaries. Another step in this direction would be to ensure awareness of benefits and various facilities available to citizens to facilitate the last mile delivery. With this aim, a nationwide campaign to raise awareness through outreach activities to achieve saturation of schemes named Viksit Bharat Sankalp Yatra. Experts from KVK Cuttack have actively participated and coordinated at 19 Gram Panchayats at the venues in different blocks of Cuttack district during the Satat Krishi Program under Viksit Bharat Sankalp Yatra. Discussion on the optimization of soil health through soil testing-based fertilizer applications, use of soil health card, customized leaf colour chart and other soil health measures. Also, different aspects of natural farming are being discussed to ensure a healthy population with healthy food and animals along with a healthy soil and environment.

Glimpses of Viksit Bharat Sankalp Yatra
