

Collaborative Training Program on ‘Importance of Fodder for Livestock’

KVK Cuttack organized a collaborative Training Program on ‘*Importance of Fodder for Livestock*’ for FPO, input dealers and farmers in collaboration with National Seeds Corporation under ‘National Livestock Mission’ on November 28, 2023, at KVK campus, Santhapur. Fifty farmers, farmwomen and grassroot level extension officials participated in the programme. Dr RK Mohanta, Senior Scientist and Head, KVK Cuttack highlighted the importance of fodder cultivation and how ruminant livestock nutrition is balanced by fodder crop. Shri Swapnananda Mohapatra, Fodder Development Officer, Govt. of Odisha described about the varieties and cultivation practices of different fodder crops. Shri Sanjay Chandra Nahak and Smt. Anamika Roy from NSC trained farmers about fodder seed production practices and marketing of fodder. Dr Dillip Ranjan Sarangi, SMS (Soil Science) and Mr. Debasish Jena, SMS (Agromet) and other officials of KVK Cuttack coordinated the training program.

Glimpses of Training Programme
