Importance of Fodder for Livestock

KVK Cuttack organized a collaborative Training Program on '*Importance of Fodder for Livestock*' for FPO, input dealers and farmers in collaboration with National Seeds Corporation under 'National Livestock Mission' on January 30, 2024, at KVK campus, Santhapur. Fifty farmers, farmwomen and grassroot level extension officials from Salipur, Tangi-Choudwar and Mahanga block of Cuttack district participated in the programme. Dr RK Mohanta, Senior Scientist and Head, KVK Cuttack highlighted the importance of fodder cultivation and how ruminant livestock nutrition is balanced by fodder crop. Shri Arup Kumar Badapanda, Fodder Development Officer, Govt. of Odisha and Shri Bibhuti Bhusan Jena, Assistant Fodder Development Officer, o/o CDVO, Cuttack described about the varieties and cultivation practices of different fodder crops along with their importance in dairy nutrition. Shri Jagadish Mishra, Shri Sanjay Chandra Nahak and Sri Bhagaban Singh from NSC trained farmers about fodder seed production practices and marketing of fodder. Officials of KVK Cuttack coordinated the program.
