

## **QRT Visit at KVK Cuttack**

On 8th April 2025, the Quinquennial Review Team (QRT), led by Dr A.K. Singh, Chairman of the QRT and Director, ICAR-Indian Agricultural Research Institute (IARI), New Delhi, visited KVK Cuttack to review its extension, research, and training activities. During the visit, Dr R.K. Mohanta, Sr. Scientist and Head, KVK Cuttack, presented a detailed overview of the ongoing activities, key achievements, and significant challenges faced by the KVK and the farming community of Cuttack district. He also shared future strategies for strengthening the institute's impact. All the subject matter specialists actively participated in the meeting, interacted with the QRT to provide field-level insights, and showcased various initiatives undertaken by the KVK.

**Glimpses of QRT Visit at KVK Cuttack**
